2020-2021 Education Loans Programs available through Local Banks

Dear Parents & Guardians,

As part of its re-opening plan and COVID-19 impact strategy, TASOK administration and board of directors expanded tuition payment options to include a Plan C (extended installments up to 9 months) and 2 types of financial aid.

In addition, the business office contacted local banks to get an update on available education loans. This page summarizes a compilation of what is offered currently. If interested, parents should contact the bank representative for more details on eligibility and conditions. Note that loan arrangements must be made directly with the bank. TASOK tuition schedule and deadlines remain the same.
