Mission

The American School of Kinshasa provides dynamic and individualized educational challenges and opportunities that promote diversity and empower each of its students to develop into independent global community leaders.

School and Community

TASOK, founded in 1961, has persevered with pride over the years in the midst of a challenging political landscape. Since then, TASOK has continued its long-standing tradition of providing a rigorous academic American High School Diploma, and the IB Diploma Programme since 2019. Currently, TASOK is a fully accredited IB World School, offering all three of the IB Programmes: Primary Years Programme (PYP), Middle Years Programme (MYP), and Diploma Programme (DP).

Grades are recorded on a semester basis with the school calendar running from mid-August to early June. Classes are on a block schedule with 85 minutes per class. TASOK does not class rank or report a GPA.
