

The American School of Kinshasa TASOK TALK – MARCH 2024

In This Edition:

- ❖ Message from the Director - Celebrating March!
- ❖ Meet our TASOK Team
- ❖ The TASOK Gala is Coming!
- ❖ Upcoming ES Events in March
- ❖ ES & SS Student Council
- ❖ DP & MYP & PYP Corners
- ❖ Secondary Dance
- ❖ Celebrating Creativity & Expression
- ❖ Celebrating International Mother Tongue Day in Gr 2 and French
- ❖ Children's Author Visit: Marie Colot
- ❖ Grade 4 Marketplace - Celebration of Learning
- ❖ College Corner
- ❖ Extra Curricular Activities - ASA's & Sports
- ❖ Business Office, Nurse's Station, 2024/25 Calendar & Events

Grade 6-9 Basketball Tournament

Message from the Director: Celebrating March!

Happy March! As we step into this new month, I want to extend my heartfelt appreciation for your unwavering dedication to our school community during these past few weeks.

March brings with it a flurry of activities on campus, alongside a special occasion - **International Women's Day**, celebrated on March 8th. It's a time to honor and recognize the invaluable contributions of women around the world.

This Women's Day, let's take a moment to celebrate the remarkable women in our lives - the mothers, daughters, teachers, and colleagues who inspire us every day with their strength, resilience, and compassion.

Amidst the celebrations, I'd like to recognize our IB DP students as they prepare to take on the upcoming Mock Exams. This period marks a crucial phase in your preparation for the final examinations in April/May. Make the most of this opportunity to assess your progress, identify areas for improvement, and refine your study strategies.

In addition to exam preparation, our campus is buzzing with various activities and events. From sports tournaments to Art Exhibitions, theater performances, and celebrations of learning - there's something for everyone to participate in and enjoy. I encourage all families to get involved and make the most of the vibrant atmosphere on campus.

Here's to a month filled with opportunities for growth, learning, celebration, and memorable experiences.

Yours in Education,
Dan Mullen - TASOK Director

Grade 10 MYP Personal Project

Our Mission for Excellence: *The American School of Kinshasa provides dynamic and individualized educational challenges and opportunities that promote diversity and empower each of its students to develop into independent global community leaders.*

MEET OUR TASOK TEAM!

We dedicate this space to celebrating all the amazing people at TASOK, supporting the school and TASOK Mission, making TASOK a great place to live, work, and learn! Each month we will share information about our team, some of whom work behind the scenes. Make sure to say 'hi' next time you see them on campus, and a quick 'thanks' for all they do for our community!

Interview with:

Gandhi Malengo

TASOK Driver/Mechanic

Interview with:

Jessica Mukuna

**Learning Support
Assistant
(grade 2)**

What do you do at TASOK?

I am a Tasok Driver and Tasok Mechanic. I do trips for the Tasok community which can be trips to the Ndjili Airport, taking students on Field trips and trips into town for Tasok Administration. I also maintain the Tasok vehicles.

What do you do at TASOK?

I am a Learning support Teaching Assistant and i'm working with the Grade 2 Class.

How long have you worked at TASOK?

In October 2024 it will be 8 years working at Tasok

How long have you worked at TASOK?

I have been working at Tasok for 4 years now.

What province are you from/which Kinshasa commune do you live in?

I am originally from Mongala Province in the northern part of the DRC. My family and I live in Kalamu Commune, the area is called Camp Pinzi.

What province are you from/which Kinshasa commune do you live in?

I'm from Kasai Orientale and I was born in Kinshasa. I live in Bandalungwa.

What do you appreciate about TASOK?

I really enjoy the whole Tasok Community from the students to my work colleagues. I really enjoy seeing the Tasok Community for example when I went to the Thanksgiving event and also the Atelier Day when I brought my family to Tasok to see the place and the people I work with. My family also could see the Poster the students and teachers made for me thanking me for the work I do at Tasok.

What do you appreciate about TASOK?

I appreciate the kindness and the open-mindedness of the TASOK community and the students.. I will like to highlight the diligent efforts that have been implemented to achieve positive progress in the school's development.

What job accomplishment are you most proud of during your time at TASOK?

The first moment was when we were busy with the New Teacher Orientation Week and we were driving back from visiting the Bonobos when the Bus lost power because of the fuel filter. I climbed under the bus with my smart clothes and made a plan with the fuel filter so that we could get back to Tasok. Arriving back at Tasok I had to then go and buy a new Fuel filter the same day, and install it so that the bus was ready for a shopping trip the next day for the new teachers. The second time was when we were driving to Zongo Falls with the Tasok Teachers. The clutch gave problems, so I stayed with the bus and the teachers left for Zongo in another vehicle. That night the Chief of the village said his two sons could help me. Lucien, another Tasok mechanic/driver, joined me the next day. We then installed the new clutch plate and disc in very difficult conditions as it was not a Workshop but the back garden of the Village Chief. We then went to Zongo Falls and after two days we came back past the village where Dr Dan Mullen went to thank the village chief for his help in getting the bus repaired.

What job accomplishment are you most proud of during your time at TASOK?

Seeing my learning supports students growing as risk takers, communicators, open minded and principled as well as seeing them being more independent.

What are you most proud of in the DRC?

I am proud of the rich soils in the DRC that makes it really good for agriculture without the need for a lot of chemical fertilizers.

What do you do as a hobby?

I like practicing boxing on a Sunday. I like reading novels and developing my personal career.

What are you most proud of in the DRC?

I am proud of the natural resources and fertile soil.

What do you do as a hobby?

I like reading and cooking with my kids .

What do you appreciate in your current position?

My position really helps me develop my english.

What do you appreciate in your current position?

I appreciate the fact that I am growing everyday and interacting with the students while helping them become responsible individuals in the future.

Upcoming ES Events in March

Mr. Mike Bailey - ES Principal

Elementary Special Events in March

Wellness Week (Take 2) and International Women's Day Mar. 4-8

Wellness Week was originally scheduled for February 12-16. We modified our activities, have held wellness focused lessons in class and have rescheduled some events for the week of Mar. 4-8.

Spirit Days-

Tuesday, March 5- Try it Tuesday - Dress: Mismatch Tuesday. Wear your craziest mismatched clothes

Friday, March 8 International Women's day- Dress up as a female Role Model

Students may dress as their role model or wear items that represent one of their role models.

Elementary Wellness Family Fun Night

Date/Time: Mar. 8, 5:30-7:30 PM

All ES Families are welcome to join us for this celebration and promotion of healthy habits at the ES classroom and shared spaces. Teachers and students will have activities set that support living a balanced and healthy life, socially, emotionally, and physically.

Schedule:

3:25-5:30 Supervision available

5:30-7:30 ES Wellness Night in the ES classrooms and shared spaces

We will have extra supervision for students who sign up to stay at school while they wait for their families to join them. This supervision is available from 3:25-5:30. We will either have a movie or have the opportunity for some of the students to watch the Under 18 Basketball games taking place.

Our PTC is arranging sales of food at the U18 basketball game and then will have some food options available during the ES event.

Please note:

*Parents must be present for students to attend! Siblings are welcome as well.

**Service and Action: Secondary students this is an opportunity for Service and Action projects- Contact Mr. Mike if you want to support the events (mbailey@tasok.net)

ES Francophone Week- Mar 11-15

The Elementary School will be celebrating Francophone Week during the week leading up to our March Break. Throughout the week we will have guests reading or telling stories, we will have a French film activity, and several spirit days.

Note the following days-

Mar. 13- Spirit Day- Dress as a Francophone Athlete

Mar. 14-15 Artifact Museum- We will have an artifact museum for the students to explore artifacts from different French countries around the world. Parents are welcome to Visit Friday morning after Music Friday.

Mar. 15- Music Friday and Spirit Day- Dress to represent a Francophone Country

Secondary Student Council

Kelley Marchant - Advisor

The Secondary Student Council is currently in the midst of resetting for Wellness Week because of our “surprise” Asynchronous time a few weeks ago. The week will be busy with some Spirit Dress Up Days with specific themes, Wellness Activities, and some special advisory activities to focus our students on the importance of Self-Care and taking care of those around you.

TASOK WELLNESS WEEK - March 4-8

- **Music Monday** - Dress Like a STAR!!!
- **Techless Tuesday** - Dress in the era of the ‘50s or ‘60’s
- **One Love Wednesday** - Dress in your classes chosen color (Red, purple, pink or white!)
- **Thankful Thursday** - Dress up like someone you’re thankful for!
- **Fitness Friday** - Dress up in TASOK colors, TASOK athletic uniforms or other sports!

Elementary Student Council

Mike Bailey- ES Principal

Our ES Student Council has spent the first weeks leading a Music/Student Council Assembly on creativity and then developing our plans of action for this term. We have formed three action groups focused on 1. Decorating and leading the celebration of special events, 2. Adding art and our print on our elementary campus, and 3. Improving our TASOK Environment (We are looking at composting). Students are researching and preparing special events and activities.

Group 1- Has organized our Women’s Day Spirit day for Mar. 8, Is planning a spa/sensory station for Family Wellness Night

Group 2- Has decided to start by finishing adding the Learner Profiles to concrete on the playground. They will then be adding decorations and paintings to our walkways.

Group 3- is exploring clean-ups sessions and starting to compost food waste in the ES.

DP CORNER

Chris Clover - DP Coordinator

Grade 12 Mock Exams Just a quick reminder that mock exams will run from March 4th to March 12th. Students will be taking exams in every subject, completing an authentic version of every examination that they will take in the April/May IBDP examination session this year. Encourage your children to get plenty of rest. Good Luck!

TASOK
PRESENTS

Visual Art Exhibition

List of the names of artist:

- Keren Ansimbanda
- Maeve Clover
- Aaniya Dhrolia
- Oliver Eells
- Joyce Kalamba
- Corelle Kassenda
- Keara Leaity
- Smita Mwanza
- Marlon Pehrsson

SATURDAY MARCH 2ND | 10:00AM - 11:30AM

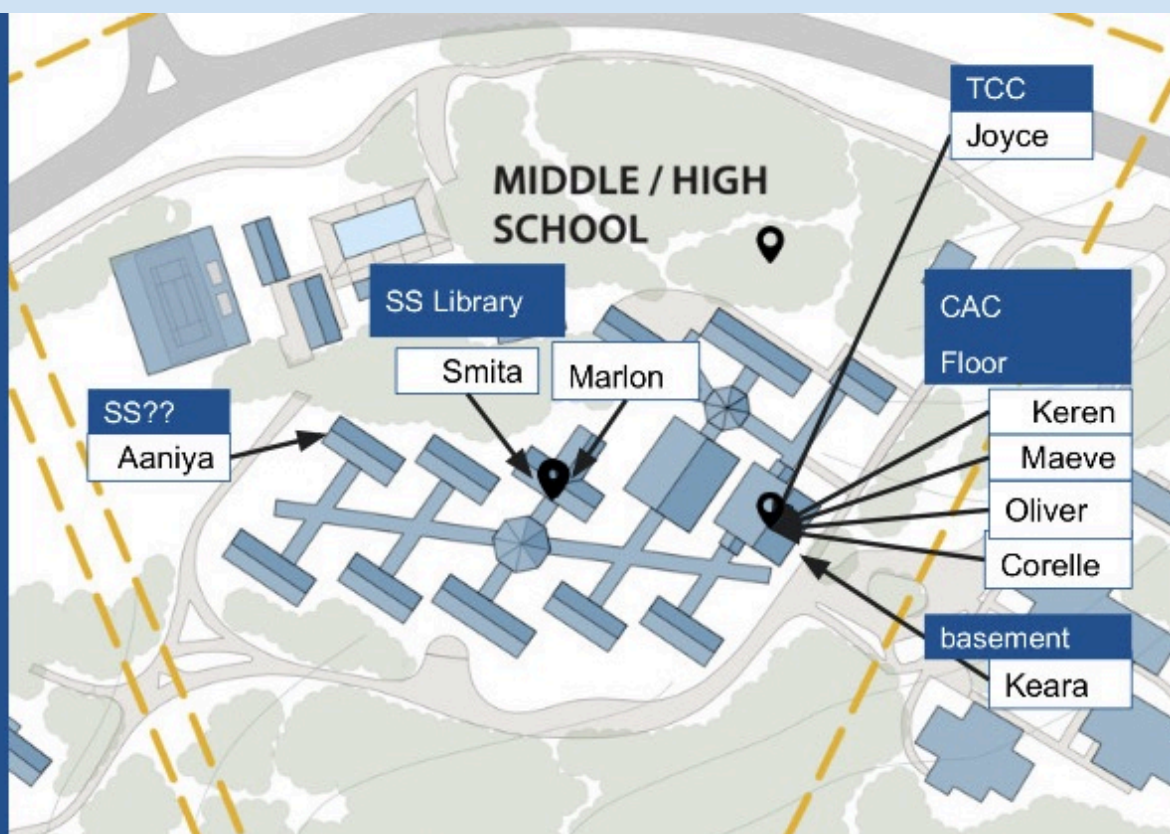

Rida Fatima

Grade 12 DP Visual Arts Exhibition is Saturday, March 2nd. Art and installations are at various locations on campus. In the DP Visual arts course our students have become informed critical observers and makers of visual culture and media. This exhibition is their chance to creatively communicate concepts and ideas through the art they have created and features work by:

- Keren Ansimbanda
- Maeve Clover
- Aaniya Dhrolia
- Oliver Eells
- Joyce Kalamba
- Corelle Kassenda
- Keara Leaity
- Smita Mwanza
- Marlon Pehrsson

Locations are indicated on the map below.

TASOK Exhibition Map

TOK Exhibition Grade 11 students will have their exhibition on April 4th. The Theory of Knowledge (TOK) course provides students with an opportunity to explore and reflect on the nature of knowledge and the process of knowing. The TOK exhibition assesses the ability of Diploma candidates to show how TOK manifests in the world around us. For this task, students are required to create an exhibition of three objects that connect to one of the 35 “IA prompts” provided by the IB.

Extended Essay The Grade 11 have conferenced, presented their EE research proposals to peers for feedback, and created a screencast to share with their supervisors and the rest of the approval panel. Over the course of the next few months, our Grade 11 students will develop their skills in doing in-depth research, critical thinking and analysis, writing, time management, and perseverance. We are working to give them the best possible start.

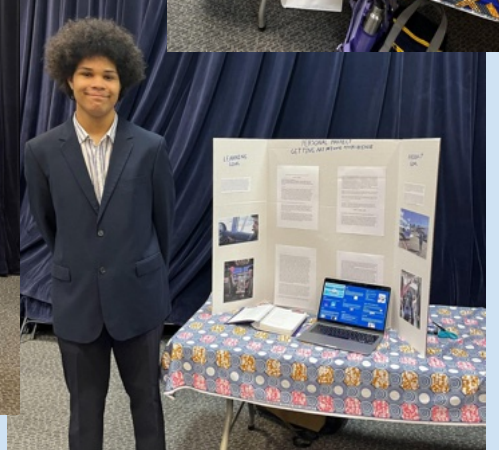

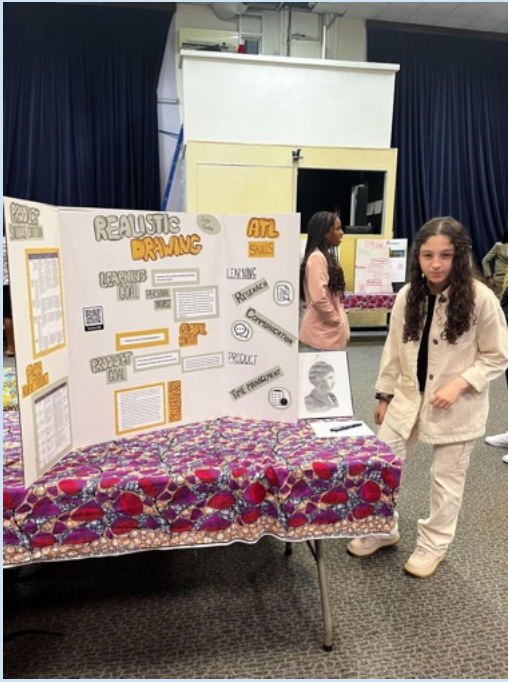

MYP CORNER

Kelley Marchant, MYP Coordinator

Personal Project Exhibition

We are very proud of our G10 students and the work they displayed at the Personal Project Exhibition on Thursday, February 8th. Thanks to all the friends and family that came out to support this work and participate in the different exhibitions!

PYP CORNER

Vitna Bailey, PYP Coordinator

Mark your calendar!

We have a lot of celebrations of learning and other events happening in March. Please stay tuned for more details as each event gets closer.

- Friday, March 1 from 8:00 am – 8:45 am: Gr. 1 celebration of learning in CAC
- Friday, March 1 from 2:20 pm – 3:05 pm: Gr. 3 celebration of learning in ES 15
- Friday, March 8 from 8:00 am – 8:45 am: Gr. 5 Parent Session – PYPX in ES 3
- Friday, March 15 from 8:00 am – 8:45 am: KG celebration of learning in ES 5 & ES 6
- Friday, March 15 from 2:15 pm – 3:00 pm: Preschool celebration of learning in ES 1 & 2

Celebration of learning often happens at the end of a unit of inquiry. It's time for our students to share their final projects, the process of learning, and reflections. Celebrating and sharing learning experiences have a significant impact on students in several ways. Celebrating and sharing learning boosts students' confidence, encourages peer learning, fosters motivation, strengthens community, improves communication skills, and increases engagement.

CELEBRATING CREATIVITY AND EXPRESSION

Kimberly Hall - PYP/MYP Music

On Friday February 9, 2024, students and teachers joined forces for a vibrant and engaging assembly event. This collaborative effort, led by myself and the ES STUCO, was a celebration of self-expression and artistic spirit.

The assembly was divided into four captivating parts, each highlighting different aspects of creativity and expression:

Part 1: Sing Your Song

Each class took center stage, showcasing their musical creativity with snippets of songs.

Part 2: Unleashing Hidden Talents!

Students from different grades were risk-takers as they shared their extraordinary talents, ranging from singing and dancing to playing instruments.

Part 3: Let the Music Travel

An interactive and entertaining activity, the musical telephone game brought laughter and joy as the students and teachers passed along musical messages.

Part 4: Move Your Body, Express Your Soul!

The assembly ended on a high note with a lively freeze dance, where everyone joined in to express themselves through movement.

The assembly not only celebrated the talents of our students but

also reinforced the importance of nurturing creativity and

self-expression within our school community. It was a true testament to the vibrant spirit and boundless creativity that thrives within our school community.

Here's to many more inspiring and joy-filled gatherings that celebrate the creativity and expression of our remarkable students!

ES Assembly - Celebrating International Mother Language Day

Megan Mullen - Grade 2 Teacher

We are excited to share with you the incredible experience our grade 2s had leading an assembly to celebrate International Mother Language Day. This special event marked the end of a week filled with activities highlighting the importance of embracing language diversity.

Throughout the week, our students thoughtfully reflected on the significance of International Mother Language Day and engaged in meaningful discussions. These conversations inspired us as we planned and prepared for our assembly.

During the assembly, our grade 2s actively engaged our community in discussions about language diversity. We presented a unique song created using the various languages represented in our class, and we were delighted to share this with everyone! Additionally, we shared a video we created, featuring members of our school community sharing their favorite words in their home languages. It was amazing to see the diverse array of languages represented at our school.

It was fantastic to see the enthusiasm and participation from our school community, and we are proud to celebrate and embrace language diversity together at TASOK!

How the World Works - KG Field trip

Caroline van der Merwe, Brigitte Suda - Kindergarten Teachers

Learning about how the World works by exploring tools and their uses

In an enriching extension of our Unit of Inquiry KG students embarked on an educational “field trip” at the TASOK atelier (workshop), where school furniture, vehicles and campus buildings and other items are maintained and repaired. Under the close supervision and guidance of teachers and atelier staff, students were able to observe and handle the tools used for these important tasks. Students have learned about a wide array of tools, focusing on the concepts of form (what is it like?), function (how does it work?) and responsibility (what are our obligations?). Students continue to actively engage with these concepts.

International Mother Language Day

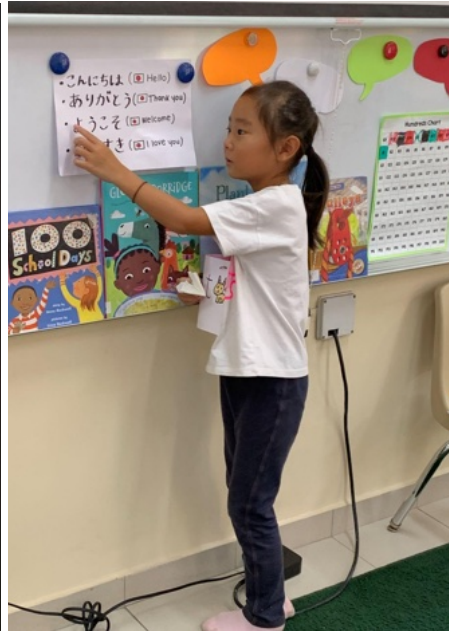

ES French Team

The IMLD day is a day that was originally set aside in 1999 by UNESCO on the 21st of February to celebrate linguistic and cultural diversity and to promote multilingualism and multiculturalism. The date, 21st of February, was particularly chosen by UNESCO to honor the activists who gave their lives to preserve their mother language, Bengali, after the Pakistan government decided to make Urdu the national language.

This year, the theme of the International Mother Language Day (IMLD) celebration 2024 was, **“Multilingual education is a pillar of intergenerational learning”**. At TASOK, we also marked this important day with various activities in our classroom to recognize the different languages spoken in our community, by both students and staff.

Here are some pictures of the different language activities that took place on IMLD Day, here at TASOK.

 @TASOKinshasa

writing skills, by imagining and creating a character in their story or 'book'. Below are some of the pictures of the event. Additionally, the school bought some of her books that are available in the elementary library.

Celebration of Learning - How We Organize Ourselves

Blair Cochran - Grade 4 Teacher

On the very last day of February, after a lightning set change, the CAC was the scene for a different kind of performance – the 4th grade business fair! Teams presented the products they had developed and refined over four weeks, highlighting how they met a want or need in the local market. With a focus on convincing communication and social and environmental responsibility, this was the hottest ticket at TASOK.

Power outages? No problem for our products... or our presenters. The show went on with dramatic lighting from the crowd.

It was a crossover hit! Teachers, parents and students are saying...

“This was a lot of fun for me and my students. Your fourth graders were well prepared and it was fun to talk to them about their ideas.”

- Mr. Eells and Grade 11 business students

“Everyone looooved the speakers [made of cardboard, paper cups and tissue paper]. They said it was the most practical, user friendly gadget they saw.”

- Ms. Ortiz and Grade 6 science students

[@TASOKinshasa](https://twitter.com/TASOKinshasa)

Fernandes stole the show with his and Ella K's marble run: "he used words like gravity, forces, incline planes, simple machines when they asked him what was his take away from this project."

- Ms. Ortiz and Grade 6

"Ooh super bossy, love it"

- Ms. Shah, parent of one of the business bosses

Engineering, communicating, convincing and cooperating - the Grade 4s are a true quadruple threat.

XTRACURRICULAR ACTIVITIES 2023-2024

Gilbert Kaburu & Timon Kitakani – Athletic Director & ASA Coordinators

ASA Key Dates

Our Trimester 2 ASAs and Sports Season 2 ended unexpectedly. We are looking forward to starting Trimester 3.

ASA Trimester 3: March 11th - May 16 (8 weeks)

- Registration: March 5th (7:30 p.m) - March 7th (Midnight) (~1 week)
- Activities: March 11 - May 16th (8 weeks)

Please read the activity descriptions and discuss with your child which activities they would like to participate in. If you have more than one child and transportation is a concern, please refer to the calendars and ensure the order and days of your activity registration requests coincide for each child.

This year, we intend to make the registration process consistent across the school. All Elementary and Secondary students and families will register online for the activities and clubs of their choosing. ASA registration will open at 7:30 pm on Tuesday, March 5th and close at midnight on Thursday, March 7th. Access to the registration site will only be available between those times. Although we aim to please all students, this is on a first come first serve basis.

TASOK G6-9 Basketball Tournament

We hosted 5 other schools for our G6-9 basketball tournament on the 10th of February. It was a great day for sports, and for our boys and girls teams. Our girls team won 1st place and our boys team won 2nd place. Huge congratulations to our student athletes and coaching team of Coach Nicole, Coach Steve, Coach Ben and Coach Dieu Merci. Thank you to the parents for turning up in big numbers to support our Condors, and our student volunteers who helped at the event. A big shout out to our PTC for reviving the Concession Stand. We look forward to our next tournaments.

Business Office Info

Kareen Laplanche - Finance & Operations Manager

Attention parents,

For tuition or other payments, we encourage these paperless methods: MySchoolWallet & Equity Telegram.. Choose the app that suits you best. Both are customized for TASOK. Let us know how they work. Your feedback is important.

MOBILE OPTION

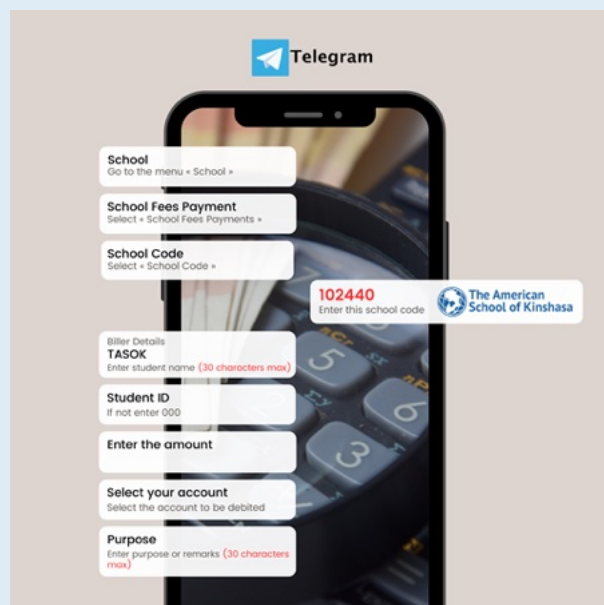

You can also pay using our mobile payment app: MySchoolWallet©

NEW MOBILE OPTION (for EQUITY BANK users only)

You can now make payments to TASOK with a click via the Equity mobile application. Follow the instructions below. See your Equity rep for more details.

1. Go to Telegram app
2. Search for the chatbot Eazzy Chat DRC (@EquityBankDRCBot) or scan the QR Code
3. Go to the menu « School »
4. Click on Payment of school fees
5. Type in TASOK's biller Code : 102440
6. Type in Student ID if you don't have one, type 000
7. Insert the Student Name : 30 characters maximum
8. Enter amount
9. Select account number
10. Reason for payment : 30 characters maximum
11. Confirm payment with your PIN
12. Insert the OTP received by SMS

We remind parents and companies that have not yet honored the **Semester 2 invoices**. February penalties are already in effect. Remit dues in full to avoid additional sanctions effective this month.

Nurse's Station Cell +243 817 252 011

Nathalie Katalayi- TASOK Nurse: nurse@tasok.net

At TASOK, we continue to reinforce healthy practices.

Fever: Your child needs to be fever/fever relief medicine free for at least 24 hours before coming back to school.

Make sure to let the nurse know as your child has an allergy or a chronic medical condition that is required to take medicine daily at school or if your child has a temporary prescription to take during the school hours. Send your child to the Nurse first thing in the morning after 2 days of sickness absence.

Birthdays: Please send the list of ingredients to the nurse at least 24 hours before the class celebration.

Should your child be sick or absent for any reason, please share the information via: attendance@tasok.net
